Vahid Masrour, Guest Speaker

Our guest speaker this week was Vahid Masrour. He referred to himself as a world citizen, having been born in Portugal to a French mom and Iranian dad. He has lived in several countries, many of which were in South America. He spoke on a new look at Leadership, which is Baha'i driven, fostering human well-being and the spiritual unity of all humankind. Leadership is best when it is based in diversity. The title of his presentation was Anello & Hernandez's Transformative Leadership, and his powerpoint can be reached at tinyurl.com/tloverview.

Updates:

Larry reports 15-20 cars are in some state of being donated. Money should come soon. The website is being developed. Testimonials of the benefits of donating are requested.

Irene notes that six club members are now using Rotary Direct to reach their annual Paul Harris donation goal. Only \$85/month would result in \$1,000 for the year. A Benefactor donated \$10,000!

Update from Larry is that training is currently being done for the mammography machine in San Felipe. He also says \$30,000 is still left in that grant.

October will be Polio month.

Julia Kitay gave Irene a \$20,000 check - for clinic ambulance, for wages of Ghana staff - \$3900 quarterly plus \$100 transaction fee.

Church is providing showers every Thursday for homeless people.

Jeff suggests a poker tournament as another fundraiser, possibly in February.

Larry & Dennis' anniversary is September 20.

Ken and Phyllis anniversary is September 26
